### & Bright

Growth Mindset

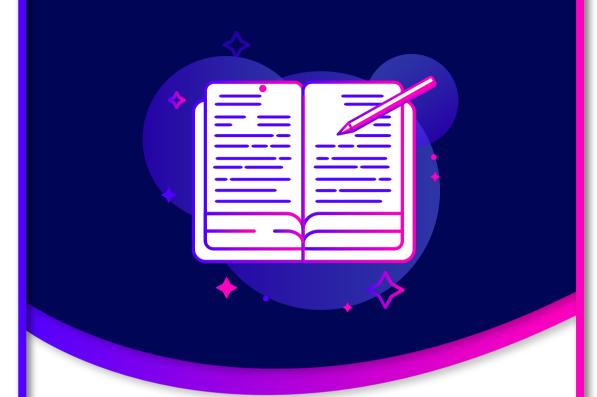

Drive Real Business Results Through Continuous Learning

## & Bright Reframe. Re-think. Re-energise.

The Reframe Cards are purpose created to enable you and your team to have a different kind of conversation. Encouraging you to re-think strategies or tactics that will allow you to find the insight and highlight learnings that you can take forward to optimise and iterate to generate different outcomes.

The first instalment for our Reframe Cards focuses on how to have conversations that centre around growth mindset and how to empower your team to change their frame of mind.

By changing their frame of mind to continually learn and grow, you can yield real business results and make a positive impact on your businesses bottom line.

# What can we take away from this 'failure'?

Hint: Seek the valuable insight to drive growth.

### How can we better understand and meet our audience's wants and needs?

Hint: Take a step back and re-evaluate your approach.

### How can we turn this great idea into a measurable experiment?

Hint: Test your assumptions and drive data-driven decision making.

### What actions can we take today to make progress towards our goals?

Hint: Focus on the outcomes, not just the outputs.

### What can we do differently tomorrow to tackle today's challenges?

Hint: Embrace the challenges and turn them into opportunities for growth.

Hint: Collaborate with your team and leverage their expertise to find solutions.

4

Hint: Take time to celebrate and acknowledge your hard work and achievements.

• • •

### Elevating Performance: How can we improve our performance and up our game next time?

Hint: Always strive for excellence and continuously optimise your approach.

Hint: Critically review your work and ensure it resonates with your target audience.

### Team Dynamics: What have we learned about how we work as a team?

Hint: Reflect on your team dynamics and identify areas for improvement.

We hope you found our reframe cards beneficial and that they encouraged you to have conversations with your team that will help produce valuable marketing outcomes and drive greater marketing effectiveness.

If you're looking to inject agile marketing to energise and empower your team and transform the way you work, please contact a member of the Bright team to discuss how we can support you.
